Sandra Gal hosted the inaugural Sandra Gal Charity Challenge Pro-Am on November 21st at the Concession Golf Club in Bradenton, Fla., and raised over \$40,000 in the first year. The event was established to help raise funds for an organization called "Volunteers of America" that has served the communities since 1896 by supporting the most vulnerable people of America such as homeless individuals and families, veterans, underprivileged youth, people with disabilities and those recovering from addictions.
